ORDER

The learned Attorney General entered appearance and furnished a comprehensive report qua the Pakistani nationals confined in jails in different countries. He has requested that some more time may be granted enabling him to make a comparative study of the details of detenues and that of missing persons to find out as to whether any of the missing persons is confined in abroad or otherwise. The learned Attorney General has further submitted that cognizance of the issue of missing persons has already been taken at the highest level and suitable legislation would be made in order to resolve the problem forever. It is also pointed out that constitution of a Judicial Commission comprising of three retried Hon'ble Judges, one from the Supreme Court and two from the High Court is under consideration. At the moment we are not aware regarding the mandate and terms of reference therefore, no comments can be offered. The proposed commission may be constituted if it is deemed fit and proper by the Government as this aspect of the matter squarely falls within the ambit of its jurisdictional domain. The learned Attorney General has submitted that necessary instructions have been given to all the Inspector Generals of Police for lodging FIRs with promptitude.

2. On the last date of hearing it was observed that contradictory statements have been made regarding Hafiz Saeed-ur-Rehman and it was stated that he was convicted and sentenced to 25 years but subsequently he was found dead. The learned Deputy Attorney General is present and requested that a short adjournment be granted enabling him to furnish a complete report regarding his trial, date of conviction and the jail where he remained confined to ascertain the factual aspects as to whether the person whose dead body was found is in fact Hafiz Saeed-ur-Rehman as it was not identified by his father. The exercise be completed on or before the next date of hearing.

3. Mr. Kamran Adil, Superintendent of Police, Pothwar Town, Rawalpindi is present and highlighted the progress made so far and an incomplete report furnished to this effect. The investigation be completed at the earliest.

4. Raja Bashir Ahmed, learned Sr. ASC is present on behalf of Ministry of Defence and submitted that evidence collected so far by Mrs. Aamina Masood Janjua is hearsay. It would be too premature at this stage to conclude as to whether the evidence is hearsay or otherwise as this aspect of the controversy is yet to be dilated upon and determined by the forum concerned. The learned Deputy Attorney General has been directed to ensure that investigation by Joint Investigation Team is completed at the earliest. In so far as Faisal Faraz is concerned, the report furnished today is not satisfactory and only previous position has been reiterated therein. However, Kamran Adil, S.P. has submitted that concrete steps have already been taken and a complete report would be submitted as investigation is yet in hand.

5. There is no material progress in the cases of Atiq-ur-Rehman and Muhammad Altaf. In case of Abdul Sattar it is informed by Mr. Naveed Akhtar, learned Additional Advocate General, NWFP that the nominated accused were discharged under section 169 Cr.P.C. It is pointed out by Mr. Akbar Khan, Secretary Home, NWFP that an investigation team has been constituted to make a thorough probe. The Home Secretary is hereby directed to hand over the task to some experienced police officer so that it could be accomplished within ten days. A comprehensive report be furnished in this regard through learned Additional Advocate General, NWFP.

6. In case of Shahid Mahmood, Mr. Hamayun Bashir Tarar, DPO is present and submitted that a Joint Investigation Team is being constituted and a comprehensive report would be furnished after the completion of investigation.

7. Abdul Hannan, Ehsan Ali and Khalid Khan are reportedly in the army custody on the alleged links with *Talibaans*. It is further submitted that army Authorities have assured to release them but still they are in their custody. Learned Additional Advocate General, NWFP is directed to look into the matter and furnish a comprehensive report.

8. In case of Khurram Ilyas, the Investigating Officer is present and submitted that in the year 2001 one accused was discharged and against the second, incomplete challan has been furnished in the court, however, Joint Investigation Team has been constituted to re-investigate the matter. A report be furnished within two weeks.

9. In case of Ghulam Mustafa, a report has been furnished, relevant portion whereof has been read over by the learned Deputy Attorney General. It, however, reveals that no material progress could be made. It is worthwhile to mention here that specific allegation has been leveled against the Intelligence Agencies and according to Shazia Tabassum wife of Ghulam Mustafa, one Sarwar Naeemi, Assistant Sub-Inspector, P.S. I/9, Islamabad is aware regarding the whereabouts of her husband. It is further submitted that the said ASI has convened a meeting in 'Haleem Ghar' for the reasons best known to him. Sarwar Naeemi, ASI alongwith S.P. concerned shall remain present on the next date of hearing.

10. A report qua Ali Asghar Bangalzai has been furnished and read over by learned Deputy Attorney General. The report is not satisfactory as certain facts have been concealed. It revealed that *prima facie* evidence against a few officers has come on record and besides that certain officers of ISI have been specifically nominated in the FIR. The report is, however, silent that as to whether investigation has been made or otherwise by Brig. Siddique and Col. Bangash who have been named in a categoric manner. The case has got its own chequered

history and there is no material progress. Accordingly, Inspector General of Police Balochistan shall remain present on the next date of hearing and apprise the Court that what steps have been taken to recover Ali Asghar Bangalzai. It has further been stated that Mr. Zahoor Ahmed Shahwani, who is presently performing his duties as Prosecutor General has informed in an unambiguous way that Ali Asghar Bangalzai remained in the custody of Intelligence Agencies. He may also be associated so that reality could be unveiled.

11. The report of Joint Investigation Team be expedited in the case of Muhammad Moosa Arjumandi.

12. All the cases pertaining to missing persons in the tragic incident of *Lal Masjid* are under investigation as reported by learned Deputy Attorney General. He, however, has assured that every effort would be made to trace out the missing persons. The Commissioner Islamabad and Inspector General of Police, Islamabad Capital Territory, shall remain present on the next date of hearing alongwith the complete record of the persons went missing and the progress made so far by the police. The entire record qua the incident of tragic *Lal Masjid* also be produced. A comprehensive report indicating the details be furnished within two weeks. It is pointed out by learned Deputy Attorney General that a task force has been constituted to look into the matter. However, the progress made so far is not material.

ORDER

Let we make it clear at the outset that there is no material progress in these cases generally known as "Missing Persons Cases". The pace of progress in each case is negligible and the police has

expressed its inability to make further probe in certain cases due to the alleged involvement of various agencies against whom serious allegations have been leveled by various petitioners and *prima facie* evidence qua their involvement has been produced. What is the evidentiary value of such evidence would be examined by the appropriate forum at the relevant time?

2. The statement made by the learned Attorney General is a ray of hope as some concrete steps have been taken which indicates the concern of Government at the highest level to resolve the problem. A comprehensive report has been furnished by the learned Attorney General which is self-explanatory and hardly needs any further elaboration. The cases of missing persons is a multi-dimensional problem and there are a few important stake-holders i.e. Police, various agencies, Ministry of Interior, Ministry of Defence and the families of missing persons, which cannot be resolved without their sincere efforts, dedication and strong will. There appears some lack of supervision, co-ordination and accountability amongst the various Branches of Government. Be as it may, some important steps have been taken by the Government (details have been given in the report furnished by the learned Attorney General) i.e. facilitation for lodging of FIR in each case by the complainant and besides that Home Secretary of each Province will remain in touch with the recovery of missing persons and their statements would be recorded so that responsibility could be fixed and action be taken against the delinquents. It is further pointed out by the learned Attorney General that proposal for constitution of a Judicial Commission is under active consideration by the Government and this Court would be taken into confidence before any decisive step is taken by the Government. It has been made clear to the Learned Attorney General that Government may take any step for the redressal of the

grievances of aggrieved persons but expeditiously. We must appreciate the hectic efforts being made by the learned Attorney General which will certainly render a considerable help to achieve the goal i.e. recovery of missing persons. The attention of learned Attorney General has been invited to certain reports furnished by the Ministry of Interior, authenticity whereof has been seriously challenged by Mrs. Aasma Jehangir, learned ASC on behalf of the Human Rights Commission of Pakistan. All the reports furnished so far and every report furnished in future must be authentic and if found otherwise, the concerned Secretary will be held responsible and appropriate action would be initiated against him in accordance with law.

3. There is no progress in the cases of Masood Ahmed Janjua, Faisal Faraz and Atiq-ur-Rahman. Mr. Shah Khawar, learned Deputy Attorney General who entered appearance at this point of time submitted that a Joint Investigation Team has been constituted and requested that some time may be allowed enabling the team to conclude its investigation. The request is accepted with the direction that matter be expedited.

4. The Home Secretaries of all the Provinces are present and submitted comprehensive reports and assured that every effort would be made to recover the missing persons.

5. Mr. Farhatullah Babar entered appearance in his private capacity as in the past he had associated with these cases and made certain valuable recommendations in black and white which will be considered at the appropriate time. Mr. Farhatullah Babar has submitted that the Government is cognizant of sensitivity of the situation and every effort is being made to minimize the gravity of situation.

6. Regarding rest of the cases as mentioned in the title directions have been given to the learned Deputy Attorney General for the completion of inquiry/investigation and submission of reports to this effect. In view of time consuming process, matter is adjourned for two weeks enabling the learned Deputy Attorney General to do the needful.

ORDER

HUMAN RIGHT CASE NO.965 OF 2005

(Missing of Mr. Masood Janjua)

Heard Mrs. Amna Masood Janjua, who has knocked at the every door of the corridor of the powers but without avail.

It transpired from the scrutiny of record that pace of progress is negligible in spite of the fact that various orders have been passed by this Court to trace out the missing persons but there is only one reply that hectic efforts are in hand but there is absolutely no material progress. It is to be noted that in this case Mrs. Amna Masood Janjua remained associated with Joint Investigation Team and the statement of Dr. Imran Munir was recorded and according to Mrs. Amna Masood Janjua certain agencies have been involved in a categoric manner. Similarly, there is no progress in the cases of Atiq-ur-Rehman, Faisal Faraz and Muhammad Iltaf.

2. The learned Attorney General is present and assures that every possible step will be taken to recover the missing persons and he has also highlighted his strategy that at first step he will conduct meetings with the high-ups including the Ministers and Secretaries of the Ministries of Interior and Defence and Heads of all the concerned agencies to resolve the problem. It is further submitted that he will procure the information from all the agencies in respect of the whereabouts of the missing persons qua their detention or otherwise and a certificate to this effect will be procured. We are conscious of the fact that it is time consuming process but it is also to be kept in view that the matter has been lingering on for one or the other pretext for the last few years. It has been made clear to the learned Attorney General that the cases of missing persons will have to be decided on either way without granting any uncalled for adjournment.

3. Be that as it may, two weeks time is granted to the learned Attorney General for doing the needful as mentioned herein above. Adjourned.

4. No further adjournment will be granted and the cases of missing persons will be dealt with on day to day basis. The attention of learned Attorney General is also invited to the missing persons from Balochistan which has created an alarming position and immediate remedial measures are required to be taken. In this regard, the learned Attorney General has assured that every possible effort will be made to trace out the missing persons in Balochistan as well as in other Provinces..

ORDER

H.R.C 965/05 and 4941/06(Missing of Masood Janjua)

Learned Attorney General placed on record two reports. In one of the reports, which has been marked as Annexure "A", a letter No.5638/RL dated 21.11.2009 under caption "PROCEEDINGS OF JIT CONSTITUTED TO TRACE THE MISSING PERSON MR. MASOOD AHMED JANJUA" being Annexure-VII of the report has been placed on record, a perusal whereof indicates that Ms. Amna Masood Janjua w/o Masood Ahmed Janjua has cited many witnesses who confirmed prison of her missing husband in custody of law enforcing agencies. In view of her this statement the Joint Investigation Team has unanimously decided to join the referred witnesses in her statement and then to proceed further. We

have inquired from the learned Attorney General that in this case, matter was reported in respect of missing husband of the applicant, as back as in the year 2005 and as far as the record of this Court is concerned, it does indicate that no effective progress has been made although sufficient period has already lapsed. He, under instructions from Mr. Kamran Adil, SP, Rawalpindi, appearing on behalf of CPO, Rawalpindi, who is Chairman of the JIT, stated that statement of Ms. Amna Masood Janjua was recorded and the statement of other witnesses whose names have been cited by her, are also being recorded. According to him there is a meaningful progress in this case. Learned Attorney General, however, stated that the Government in its all sincerity making efforts, therefore, some time be given to it to reach at a right conclusion.

Constitution Petition No.37 of 2007
Syed Gohar Anis and others Vs. Federation of Pakistan

We inquired from Mr. Abdul Rasheed Awan, learned counsel about data of missing petitioners. According to him they are missing since 1995-96. We inquired from him as to whether any case was registered or any other effort was made through a recognized law enforcing agency because at present, after about 13-14 years it would not be free from difficulty to pass any effective order directing the agencies to recover and produce them. On this, he stated that some time be given to him to do the needful.

Constitution Petition No.5 of 2007
CMA 4419/07
CMA 4692/09
And CMA 4420/09
Human Rights Commission of Pakistan Vs. Federation of Pakistan etc.

Learned counsel for the petitioner pointed that initially when the petition was filed, a list of the missing persons was filed, out of which few persons were traced, as such they have submitted a fresh list of the missing persons deleting the names of the person, who have been traced vide CMA 4420/09, in which a list of 98 persons has been submitted. Subsequently another CMA 4419/07 was filed wherein names of 05 missing persons were mentioned. There is yet another CMA No.4692/09, which was filed on 15th October, 2009 and in this petition names of 21 more persons were added. However, learned Attorney General stated that some time be given to him because exercise has already commenced in this behalf and all efforts shall be made to submit a comprehensive report before this Court indicating whereabouts of the missing persons.

In this Constitution Petition, case of Dr. Imran Munir is involved regarding his detention. He was traced and ordered to remain in PIMS hospital on 21st August, 2007. Relevant para there from is reproduced herein below:-

> *"We, therefore, direct that Imran Munir will be kept in the custody of Islamabad Capital Territory Police in P.I.M.S hospital for a period of two weeks, whereafter he will be shifted to Central Jail, Adyala, Rawalpindi. He will be again produced before this Court by the I.C.T. Police on the next of hearing. In the meanwhile another application was filed, which was numbered as Civi Misc.Application 4588/09 same was taken up for hearing on 16th November, 2009. A perusal whereof indicates that Dr. Imran Munir has been released and presently he has been kept in protective custody in Adyala Jail. Col ® Muhammad Akram, ASC however, explained that initially he was convicted by the Field General Court Martial and was sentenced to 8 years R.I. on 17th June, 2007. Against this order he filed appeal before the Court of appeal within army, which was accepted and he was acquitted but the learned Attorney General stated that he has to confirm this fact from the authorities. As presently Dr. Imran Munir, in pursuance of the order of this Court noted herein before, is in protective custody in P.I.M.S. He is directed to continue in the protective because without confirming concerned quarters that he is no more required, he cannot be released. The authorities, who produced him from PIMS, are directed to take him back in P.I.M.S.

ORDER

In view of the fact that Aleem Nasir, Hafiz Abdul Basit and Muhammad Tahir, *who was statedly detained with Hafiz Abdul Basit,* have been recovered; we have strong reasons to believe that stand taken by the Ministry of Interior and Ministry of Defence that the missing, *persons whose cases are fixed before us*, are not in the custody of the Agencies, seems to be incorrect and in view of these facts, we solicit assistance of Attorney General for Pakistan to ensure production/ release of all other persons, *list of which shall be provided by Ms Naheeda Mehbob Ellahi* learned DAG, after consulting files, as well as, with the assistance of learned counsel appearing on behalf of missing persons in Court and stated that for carrying out the exercise, she needs some time. Adjourned to 21st September, 2007.

2. In the meanwhile, M/S Zulfiqar Khalid Maluka, learned ASC and Shaukat Aziz Siddiqui, ASC are required to place on record comprehensive affidavits of Aleem Nasir and Hafiz Abdul Basit. him to prepare the same. As far as Mst. Shazia is concerned, though she was arrested on 3.1.2004 but now she is being triad before Anti-Terrorist Court. She may, if so deemed appropriate, move for her release on bail according to law before the Court concerned because prima facie, we are of the opinion that presently, she is not in an illegal detention.

3. Mr. Abdul Mujeeb Pirzada, learned Sr. ASC, stated that Imran Munir was allowed to remain in hospital for medical treatment for a period of two weeks but still he is not feeling well, therefore, he may be allowed to remain in PIMS for medical treatment. S.M.C.No.965 of 2005

(Matter of Imran Munir, detenue)

Pursuant to our order passed yesterday, the detenue Imran Munir, has been produced before this Court today. On our query, we were informed by the learned Deputy Attorney General, under instructions from Brig. ® Javed Iqbal Cheema, Director General, Crises Management Cell that he was confined at Mangla in view of his court martial proceedings after setting aside his conviction by the appellate forum. The production order was passed approximately at 11:00 a.m. The Court waited for his arrival up to 5:30 p.m but he was not produced. We were given to understand through the learned DAG that he would be brought from Mangla to Islamabad. However, Imran Munir has explained that yesterday (20.8.2007) he was made to travel in the morning at about 7:00 a..m. He had no idea as to where he was being taken by the military authorities. At about 11:a.m he was brought to Rawalpindi and was kept in an F.I.U lockup. We had directed to lodge him in Central Jail, Adiala, Rawalpindi, for the purpose of producing him before us today.

2. Imran Munir further states that his face was covered when he was brought to the Court today. The muffle from his face was removed outside the Court and then he was handed over to the police for production before this Court. He says that he apprehends danger to his life. Prima facie, the DAG, under instructions from Brig® Javed Iqbal Cheema, had made an incorrect statement about location of Imran Munir at the time of passing of the order dated 20-.8.2007 at 11:00 a.m. and secondly; our clear directions for lodging him in Central Jail Adiala, Rawalpindi were not carried out. Therefore, we would direct to Brig ® Javed Iqbal Cheema that he should pin point the names and details of those persons to whom he had conveyed the order of this Court of bringing Imran Munir from Mangla to Islamabad and for keeping him at Adiala Jail. He would give us such details in writing before the next date of hearing.

3. The learned counsel appearing on behalf of detenue stated that in view of his critical condition as also observed in the last orders dated 6.6.2007

and 25.6.2007, it would be appropriate if he was admitted in the P.I.M.S. for medical treatment.

4. We, therefore, direct that Imran Munir will be kept in the custody of Islamabad Capital Territory Police in P.I.M.S hospital for a period of two weeks, whereafter he will be shifted to Central Jail, Adiala, Rawalpindi. He will be again produced before this Court by the I.C.T Police on the next date of hearing. Mr. Iftikhar Ahmed, Inspector General of Islamabad Police, present in Court, is directed to take him into his custody. He shall post police guard for his safety in the P.I.M.S. While he is admitted in P.I.M.S, his family members and his lawyers namely Mr. Mujeeb Pirzada, Asma Jehangir and Col. ® Muhammad Akram ® will be at liberty to meet him.

C.M.A.No.2003 of 2007

Accordingly, on the next day, i.e 29.10.2004 details about Atiq-ur-Rehman were supplied by the said I.O to the military authorities.

2. Raja Naseer Ahmed, is directed to place on record the copies of Zimni No.4 dated 29 and 29.10.2004. The learned DAG states that she needs some time to make progress in this case. Adjourned for a date after two weeks.

(Missing of Moula Bakhsh Nowani)

Hyderabad is directed to record his statement and submit the same before the next date of hearing along with brief details of case pending against him before the Anti Terrorism Court.

(H.R.C No.48 of 2007)

(Missing of Muhammad Imran Alvi)

In respect of Mr. Muhammad Imran Alvi S/O Ikram Alvi, the learned DAG stated that according to instructions received by him through Mr. Saleem Sikandar, A.I.G Legal, Punjab Police, a case was registered about his disappearance but he himself turned up after four days. Therefore, the case was closed. In view of the statement so made by the learned DAG, this petition to his extent stands disposed of.

(H.R.C.No.2011 of 2007)

(Missing of Fahad Bhugti)

The learned DAG states that Fahad Bughti is now a free person and this fact has also been confirmed by Ms Asma Jehangir, ASC. In this view of the matter, the petition stands dispose of to his extent.

(Hafiz Abdul Basit)

The learned Attorney General for Pakistan has stated that Hafiz Abdul Basit is in custody of Political Agent, Khyber Agency, as per information collected by him during last 24 hours. However, he would be brought to Islamabad by this evening.

2. It is directed that he will be released and handed over to his maternal uncle Hafiz Abdul Nasir in the office of Director General, F.I.A at 8:00 p.m. In this behalf a document for handing/taking over his custody shall also be executed and copy of the same will be send to us. A verbal report in this regard shall also be submitted to the Acting Registrar of this Court soon after Hafiz Abdul Basit is handed over to his maternal uncle.

Petition to his extent stands disposed of.

The learned Deputy Attorney General stated that the remaining matters may be adjourned for a period of two weeks enabling her to contact the relevant authorities for the purpose of making further progress in the cases of missing persons. Adjourned to 4.9.2007.

Learned DAG states that Hafiz Abdul Basit was arrested on 13th January 2004 under the supervision of Tariq Pervaiz, DG(FIA) {the then Addl. IGP(Pb)} by CID Police in connection with a case registered at Rawalpindi and subsequently his custody was handed over to Faisalabad Police who later on given his custody to the Military Intelligence. Relevant para from the report dated 1st August 2007 is reproduced herein below :-

> *"4(iii) The suspect was taken by ATC staff to their office and on the directions of the Incharge Inspector, he (the suspect) was taken to Pindi Bhattian Toll Plaza where he was handed over by ASI Iftikhar Hussain of ATC to Army Officers under proper receipt, as disclosed by the ASC in his statement dated 5-6-2007"*

2. Learned counsel appearing for detenue states that once it was established that the detenue was in the custody of CID Police and later on he was handed over to the Faisalabad Police from where his custody was handed over to the Military Intelligence would not debar from the responsibility to ensure his production before the Court of law.

3. We have gone through the report dated 1st August 2007 and on the basis of the same we see no reason to disagree with the contention of learned counsel for detenue. It is painfully noted that despite knowing the fact that Mr. Tariq Pervaiz, DG FIA {the then Addl. IGP} has not bothered to produce the detenue before the Court although he appeared before this Court twice and in this behalf also submitted report under his signatures. It is equally important to note that once the fact was established that the police had got the custody of detenue then it is the responsibility of the Police to produce him in Court of law because it is not the duty of the Court to run after the Police for his production.

4. At this stage learned DAG states that before proceeding further with the case, it may be adjourned till tomorrow enabling him to get information about the whereabouts of detenue. Order accordingly.

5. At this stage Ms. Masood Janjua has submitted a list of 11 missing persons. Learned DAG further states that out of listed 11 untrased persons three, namely Jan Muhammad, Saleem Baloch S/o Abdul Ghani and Munir Ahmed Mengal S/o Abdul Karim Mengal are now free persons. Learned DAG is directed to produce them before us tomorrow i.e. 21st August 2007. As far as the remaining eight persons, namely Masood Ahmed Janjua, Faisal Faraz, Hafiz Abdul Basit, Muhammad Altaf, M. Ateeq-ur-Rehman, Goharam Saleh, Gul Muhammad, Dr. Hanif Bugti are concerned, they have not been traced out so far.

CMA.2003 of 2007.
(Missing of Ateeq-ur-Rehman)

6. Mr. Muhammad Ikram Ch. learned ASC for the detenue (Ateeq-ur-Rehman, Senior Scientific Officer, Pakistan Atomic Energy Commission) referred the Polic e report prepared by SHO and ASP Cantt Abbottabad Police and persuaded us to draw inference that he has been picked up by 2-3 persons of Intelligence Agency. The reason advanced by him to substantiate detention of Ateeq-ur-Rehman is that he was working in Pakistan Institute of Nuclear Science and Technology, Islamabad, therefore, according to him his detention cannot be over ruled as he was attached with an important organization.

7. Learned DAG states that a short adjournment be given to her so she may contact the concerned quarters as far as the remaining missing persons are concerned, efforts are being made to find out their clue except Dr. Muhammad Hanif Bugti because his full particulars have not been provided to her. Ms. Amna Masood Janjua states that she has recently received some details which are being handed over to learned DAG.

Missing of Gohram Saleh

8. Mr. Abdul Ghani, Brother-in-Law of Gohram Saleh S/o Saleh Muhammad appeared and states that initially the detenue was picked up by the Agencies from 'Talal' situated between Turbat and Gawadar, therefore, after his custody by ATF he was investigated and was declared innocent. Later on, a Const. Petition was filed before the High Court of Balochistan for his release by one Samir S/o

Mir Mehrab. Mr. Abdul Ghani further states that after his release by ATF he was picked up immediately by the Agencies personnel from the gate from where he was released.

9. Mr. Abdul Ghani further states that he had a conversation with Maj. Barki, Incharge of ISI at Turbat who insisted that Gohram Saleh will be released provided he agrees to hand over custody of his brother Zahid Saleh who was required by the Agencies, who is presently living in Iran.

10. The Registrar is directed to procure copy of Writ Petition No.230/2004 by Fax alongwith its annexures and order sheets from the High Court of Balochistan, Quetta for placing the same before us by tomorrow, positively.

Missing of Dr. Hanif Bugti

11. Zahoor Elahi, the younger brother of Dr. Hanif Bugti of Zahoor Elahi, appeared and states that his brother was picked up from Sui Field Hospital. He further states that alongwith his brother M/s Fazal Hussain S/o Mir Dost and Muhammad Hasan S/o Yaar Muhammad /o were also detained who are now confined in District Jail Sibi. In support of their version affidavits have been filed by them which have been placed on record. He further states that a Const. Petition has been filed before the High Court which is still pending for decision.

12. Be that as it may, learned DAG is required to confirm the statement and furnish report by tomorrow.

1. **MISSING OF MASOOD JANJUA**

Complainant: Ms. Amna Masood Janjua in person

On Court Notice: Ms. Naheeda Mehboob Elahi, DAG

Date of hearing: 20.8.2007

ORDER

Learned Deputy Attorney General stated that Masood Janjua is not in custody of ISI or MI and for the time being no clue about his whereabouts is available. Her statement has been contradicted by the complainant Amna Masood Janjua, who is his wife. She relied upon a document, which is a diary written by one Imran Munir, presently in custody of Army in Mangla Cantonment as he is also facing Court Martial proceedings. It may be noted that he is the same person, whose case has been adjourned for tomorrow. Contents of the diary reveal that when Imran Munir was in custody of ISI, he has seen Masood Janjua, a businessman of Rawalpindi, who was lodged in front of a cell in which he was confined. This statement has not been contradicted on behalf of the State, by learned Deputy Attorney General, but her case is that without any corroboration to the statement so given by Imran Munir, the piece of diary cannot be accepted as conclusive evidence. We are not in agreement with the same, for the reasons that diary has been written by the said person in his own handwriting and its genuineness or otherwise can be verified by recording of his statement.

As such we direct learned Deputy Attorney General to produce him in Court today in the safe custody so we may able to examine him.

O R D E R

Heard the above named learned ASCs and Mr. Tariq Mehmood Khokhar, learned Deputy Attorney General at length. In so far as the case of Imran Munir is concerned it has been informed that he has been

convicted and sentenced for 8 years and is presently confined in District Jail Jhelum. It is quite amazing that as to how he has been convicted and sentenced without having proper legal advice regarding which a direction was issued by this Court in an explicit manner on 6.6.2007 that Mr. Abdul Majeeb Pirzada, learned ASC should have access to see him for doing the needful. It appears that the order passed by this Court has been violated in a flagrant manner. Let Secretary Interior and Secretary Defence appear before this Court on the next date of hearing and explain as to why contempt of Court proceedings may not be initiated against them.

2. The entire record qua proceedings against Imran Munir in General Field Court Martial be placed on record and in case there is any sensitive material that may be placed before the Bench in Chamber. The learned Deputy Attorney General is directed to have the latest medical report of Imran Munir enabling this Court to pass appropriate orders, which according to the learned ASC is critical. This case should be separated from the rest of the cases and be fixed on Monday i.e. 25.6.2007. The learned DAG is further directed to contact the Superintendent Jail Jhelum in order to know the latest health condition of Imran Munir.

3. In so far Imran Ali Naqvi is concerned, it has been reported that he has been detained under the Security Laws. The learned DAG is not in a position to furnish details qua his place of detention . It is directed that meeting of his mother with Imran Ali Naqvi be arranged within this week.

4. Asif Biladi, Khatum Kumar and G.M. Baghat whose names are mentioned in CP No. 5/2007 have been booked in a case got lodged vide FIR No. 25/2007 under Section 4/5 of the Explosive Substances Act, 1908 read with section 6/7 of the Anti-Terrorism Act, 1997 and they

have been shown absconders and challan of the case has been submitted in the Court ATC, Haiderabad.

5. Regarding Mehr-ud-Din Marri it has been informed that at the moment he is at home. No further action is called for.

6. Regarding Haji Daud Khan Maingal it has been pointed out that a case was got registered against him at Police Station Preddy Karachi and presently he is confined in Central Jail, Karachi. It is to be noted that his name has been shown in both the petitions i.e. CP No.5 and 9/2007 simultaneously. Let the law takes its own course.

7. An application was moved by Mrs. Khalid Khawaja which was subsequently converted into petition. The main grievance of the petitioner was that her husband was in a critical condition and no medical facilities were provided to him and it was prayed that he may be referred to some hospital for medical treatment. Dr. Arshad Ali, Medical Officer Central Jail Adyala, Rawalpindi is present. In his view the condition of Khalid Khawaja is satisfactory and besides that it has been told by Mr. Shaukat Aziz Siddique, learned ASC that his detention orders have been quashed and within a day or two he would be released, therefore no further proceedings are required in the matter.

8. In so far as Masood Janjua and Faisal Faraz are concerned, there is no material progress in the matter. It is hereby directed that Secretary Interior and Secretary Defence after having consultation with all concerned quarters shall apprise this Court regarding the latest position as according to Mrs. Masood Janjua Senior Army/ISI Officers have told her that Masood Janjua is in custody of the Armed Forces and would be free very soon. In this regard she has referred to an affidavit of Col. Raja Ali Muhammad who is her father-in-law. On the next date of hearing report shall also be furnished by Babar Bakht, S.P

Investigation Lahore Cantt who is directed to make further investigation and visit the Tablighi Markaz Peshawar to find out as to whether Masood Janjua and Faisal Faraz were included in any Tablighi Jamaat and if so, where that Tablighi Jamaat was sent and for how much period.

9. In so far as Hafiz Abdul Basit is concerned, prima facie on the basis of record it can be inferred that his custody was handed over to M.I by Iftikhar Hussain, ASI. Mr. Muhammad Aslam Tareen, DIG Faisalabad is present and points out that Muhamad Amin Waince, SSP could not enter appearance being hospitalized. It is also pointed out that Tariq Mehmood, DSP CID remained associated with the arrest and handing over his custody to the Military Authorities. Muhammad Amin Waince, SP and Tariq Muhammad, DSP are directed to remain present on the next date of hearing alongwith necessary record showing in which case he was arrested and as to why and how he was handed over to the Military Authorities and under whose direction.

4. PUC-III is an article appeared in Weekly Pulse Islamabad dated October 06-12, 2006 on the title "the Road to Guantanamo Bay" narrating the story of the protest of the families of 16 missing persons who are believed to be in the custody of intelligence agencies for their alleged links with Al-Qaida. The discourse goes on to quote the report of the Amnesty International that more than 85 percent were arrested in Afghanistan at a time when reward was up to $ 5000 were paid for every unidentified terror handed over to the USA. The Bounty hunters—including police official and local people—took advantage of this routine practice that facilitated illegal detention and enforced disappearance. The Pakistani courts have failed to offer protection. On this article the HCJ has been pleased to pass the order: *Put up with human right case fixed for II week of November.*

5. It is submitted the same protestors in the shape of a delegation presented application to the worthy Registrar which is, following the order of the HCJ, registered as HR Case No. 4941 and fixed in Court for 08.11.06.

6. It is further submitted that another HR case No. 965/05, about two missing persons, is pending in this Court. If approved, all these matter being identical may be clubbed together.
